Atty Docket No. T3653-8793US05 :

This is in response to the renewed petition filed under 37 CFR 1.47(a) on 21 April, 2004.

The petition is **GRANTED**.

Petitioners have shown that the non-signing inventors could not be reached to join in the filing of the above-identified reissue application despite having been sent a copy of the application papers. Specifically, petitioners have established that a copy of the application was sent to the non-signing inventors, William R. Morrell and Sriram Jayashima by Federal Express. Despite diligent efforts, the non-signing inventors could not be located.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the Declaration. Notice of the filing of this application will also be published in the Official Gazette.
